The Software Testing Institute (STI) provides access to quality industry publications, research, and online services. STI offers the following professional resources: a software testing discussion forum, the STI Resource guide, the Automated Testing Handbook, the STI Buyer's Guide, and privileged access to STI's industry surveys on salaries, staffing practices, industry trends, and more.

### **Software Program Managers Network**

[www.spmn.com](http://www.spmn.com)

The Software Program Managers Network (SPMN) is sponsored by the Deputy Under Secretary of Defense for Science and Technology, Software Intensive Systems Directorate. SPMN conveys proven industry and government software best practices to managers of large-scale Department of Defense (DoD) software-intensive acquisition programs. The SPMN 16 Critical Software Practices specifically address underlying cost and schedule drivers that have caused software intensive systems to be delivered over budget, behind schedule, and with significant performance shortfalls. They provide "hands-on" consulting, training, and direct support to DoD programs in information technology project management, requirements and risk management, and more.

### **Quality Assurance Institute**
