

15th Year Anniversary!

Call For Speakers And Exhibitors

28 April - 1 May 2003

**Strategies & Technologies:
Enabling Capability-Based
Transformation**

**Abstract submittal and Exhibitor Registration for
STC 2003 will be accepted beginning 1 August 2002.**

All interested parties are invited to submit an abstract describing the proposed presentation, tutorial, or panel discussion; to register to be an exhibitor; and to take part in next year's conference.

With 2003 being the 15th year of STC, don't miss your chance to be a part of the premier software technology conference within the Department of Defense.

Submit your abstract proposal online now.

Consult the conference Web site www.stc-online.org all year.
