

2003 U.S. GOVERNMENT'S

TOP 5 QUALITY SOFTWARE PROJECTS

2003 U.S. Government's Top 5 Quality Software Projects

The Department of Defense and Crosstalk are currently accepting nominations for the 2003 U.S. Government's Top 5 Quality Software Projects. These prestigious awards are sponsored by the Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics, and are aimed at honoring the best of our government software capabilities and recognizing excellence in software development.

The deadline for the 2003 nominations is December 5, 2003. You can review the nomination and selection process, scoring criteria, and nomination criteria by visiting our Web site. Then, using the nomination form, submit your project for consideration for this prominent award.
