

CROSSTALK ARCHIVES

The screenshot shows a web browser window titled "STSC Crosstalk - June 2004 Issue - Microsoft Internet Explorer". The address bar contains "http://www.stsc.hill.af.mil/crosstalk/2004/04/index.html". The website header includes the STSC logo and navigation links: "About Us", "Consulting Services", "Crosstalk", "Conferences", and "Resources". A search box is located in the top right corner. The main content area features the "CROSSTALK" logo and the subtitle "The Journal of Defense Software Engineering". Below this, it displays the "JUNE 2004" issue cover with the headline "804 Compliant? Click here!". A "Table of Contents" section is visible, listing articles such as "Assessments and Certifications" and "Why Be Assessed to the Next Prevalent Standard in Use Today?". The browser's status bar at the bottom shows the local intranet address.

Visit CROSSTALK online and access 11 years of software-related articles in a fully searchable database that makes finding relevant and timely information painless. Make CROSSTALK your first stop for all your software research needs.
