

# CROSSTALK ARCHIVES

The screenshot shows a web browser window with the address bar displaying <http://www.stsc.hill.af.mil/crosstalk/200406/index.html>. The page header includes the STSC logo and navigation links: [About Us](#), [Contact Us](#), [Crosstalk](#), [Columns](#), and [Resources](#). A search box is located in the top right corner. The main content area features the **CROSSTALK** logo and the subtitle "The Journal of Defense Software Engineering". Below this, it indicates the current issue is "JUNE 2004" and highlights a featured article: "804 Compliant? Click here!". A sidebar on the left contains a navigation menu with links for "About CrossTalk", "Current Issue", "Subscription", "Theme Calendar", "Author Guidelines", "Back Issues", "Article Index", and "Your Comments". The main content area also includes a "Table of Contents" section with a link to "Download entire issue (PDF format)" and a list of articles, such as "Why Be Assessed to the Most Prevalent Standard in Use Today?" by Robert Vioray.

Visit CROSSTALK online and access 11 years of software-related articles in a fully searchable database that makes finding relevant and timely information painless. Make CROSSTALK your first stop for all your software research needs.
